| Week of 12/05/16 | Section: 2,3,4   |

Beginning the week of October 10<sup>th</sup>, leaf piles will be collected in all Sections until regular Sectional collections begin on October 17<sup>th</sup>.

Please note that weather and equipment failures may cause a delay in the collection schedule. Delays should not be more than 1 or 2 days. If the Township gets ahead of schedule, they may come through your section early, but will also be back during your scheduled week.

No leaves shall be put in the street more than 7 days prior to your scheduled week. No leaves shall be put in the street after the Sunday of your final collection week. No plastic bags or branches may be mixed with the leaves. Leaves will not be collected if there is evidence of plastic bags, branches, or other waste items.

Please refer to the zone map to locate your section on the Public Works website.
